This is a response to the Commission's Request for Additional Information dated April 10, 2019, which concerns a payment made by the committee on October 22, 2018, in the amount of \$67,020, to Bully Pulpit Interactive, LLC. A 24-hour report concerning this payment was filed on October 27, 2018 ? immediately after the committee discovered that the report had been inadvertently overlooked. As this report was filed just four days late and, most importantly, well before the election, there was no significant impact on public disclosure. Additionally, the payment was timely reported on the committee's Post-General Report.
